"A temporary permit may be issued to an applicant subject to the limitations, conditions, and restrictions contained within this section and the rules of the Board. The permit shall allow the applicant to practice under direct supervision of a Certified Respiratory Care Therapist or Certified Respiratory Care Technician. The initial permit shall remain valid until expiration or for a period of not to exceed 18 months as determined by the Board, which ever comes first. A temporary permit may be renewed, at the discretion of the Council, for a period not to exceed 120 days;

AND FURTHER AMEND by adding the following new sections immediately preceding the Section 10 and renumbering subsequent sections accordingly.

SECTION \_\_\_\_ . Tennessee Code Annotated, Title 63, Chapter 6, Part 4 is amended as:

"Arterial blood gas analysis and maintenance and quality assurance of a blood gas laboratory may not be performed by any practitioner certified under the provisions of this part unless:

**THURSDAY, APRIL 9, 1987--31ST LEGISLATIVE DAY**

(1) In the case of a Respiratory Care Therapist or Respiratory Care Technician, the therapist or technician:

- (a) has been trained in arterial blood gas analysis as approved by the Board;
- (b) has been granted a practitioner's certificate by the Board bearing the endorsement "ABG Analyst", and
- (c) holds either the NBRC credentials "CRTT" or "RRT" or has passed a Council approved examination testing competency for arterial blood gas analysis.

(2) In the case of Respiratory Care Assistant:

- (a) has been trained in arterial blood gas analysis as approved by the Board,
- (b) has been granted a practitioner's certificate by the Board bearing the endorsement "ABG Analyst", and
- (c) has passed a Council approved examination testing competency for arterial blood gas analysis. The National Board for Respiratory Care entry level examination, as provided to the council by the NBRC, by contract, is the examination accepted by the Council. This examination will not grant the respiratory care assistant the NBRC credential. In addition, the council reserves the right to write its own state council examination or contract with other national testing organization;

SECTION \_\_\_\_ . Tennessee Code Annotated, Section 63-6-413 is amended by adding the following language to be designated as subsection (c):

Each individual certified pursuant to the provisions of subsection (a) of this section and who is also, as of July 1, 1987, licensed as a "Special Analyst" under the provisions of Tennessee Code Annotated, Title 68, Chapter 29, Part 1, relating to medical laboratories and medical laboratory personnel, shall be certified under this part for arterial blood gas analysis, and maintenance and quality assurance of a blood gas laboratory and shall be entitled to have his certification so endorsed by the Board.";

SECTION \_\_\_\_ . Tennessee Code Annotated, Section 63-6-402(4) is amended by adding the following new language to be designated as subsection (c):

**THURSDAY, APRIL 9, 1987--31ST LEGISLATIVE DAY**

(C) Respiratory Care Therapists, respiratory care technicians, and respiratory care assistants who have been issued a certificate by the board of medical examiners council on respiratory care, pursuant to the authority of Tennessee Code Annotated, Section 63-6-404(2), shall be exempt from any licensing, certification or permit requirements of the Tennessee Medical Laboratory Act, as amended, for medical laboratory personnel or medical laboratory trainees in so far as they engage in performing blood gases and PH analyses.

SECTION \_\_\_\_\_. Tennessee Code Annotated, Section 63-6-402(5)(B) is amended by deleting the existing language in its entirety and substituting therefore, the following:

(B) Passed a council approved exam for respiratory care assistants. The National Board for Respiratory Care entry level examination, as provided to the council by the NBRC, by contract, is the examination accepted by the Council. This examination will not grant the respiratory care assistant the NBRC credential. In addition, the council reserves the right to write its own state council examination or contract with other national testing organizations.

SECTION \_\_\_\_\_. Tennessee Code Annotated, Section 63-6-409 is amended by adding the following language:

(D) When any such person shall fail to renew his certificate and pay the renewal fee after renewal becomes due, the license of such person shall be automatically revoked without further notice or hearing unless renewal is made and all fees paid prior to the expiration of sixty (60) days from the date such renewal becomes due.

(E) Any person certified to practice by the provisions of this chapter, who has retired or may hereafter retire from such practice in this state, shall not be made to register as required by this chapter if such person shall file with this council, an affidavit on a form to be furnished by the council, which affidavit shall state the date on which such person retired from such practice and such other facts as shall tend to verify such retirement as the council shall deem necessary; and provided further, that if such person thereafter reengages in such practice in this state such person shall apply for registration with the council as provided by this chapter, and shall meet other requirements as may be set by the council.

SECTION \_\_\_\_\_. If any provisions of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not effect other provisions or applications of the Act which can be given effect without the invalid provision or application and to that end the provisions of this Act are declared to be severable.

**THURSDAY, APRIL 9, 1987--31ST LEGISLATIVE DAY**

Ms. Pruitt moved to amend as follows:

**AMENDMENT NO. 1**

Amend Senate Bill No. 113 by deleting Section 1 in its entirety and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 63-8-102(12)(E), is amended by deleting the first sentence in its entirety and by substituting instead the following:

**THURSDAY, APRIL 9, 1987--31ST LEGISLATIVE DAY**

The performance of external and internal examination of the human eye or eyelid, and any diagnosis, treatment (other than by surgery) of patients with infections, inflammations, and abrasions of the eye or eyelid with topically applied drops, ointments or creams, or any referral of patients for consultation or treatment. An optometrist may use or prescribe topical steroids for not more than seven (7) calendar days from the onset of treatment. Optometrists treating patients under this section shall be held to the same standard of care as that of primary care physicians providing similar services. Treatment under this section may include the removal of superficial foreign bodies from the conjunctiva of the eye and eyelid. Treatment of glaucoma and/or iritis is not authorized.

AND FURTHER AMEND by deleting Section 2 in its entirety and substituting instead the following:

SECTION 2. Tennessee Code Annotated, Section 63-8-112, is amended by adding the following as a new subdivision:

( ) To certify optometrists to use topically applied drops, ointments or creams for treatment as provided in Tennessee Code Annotated, Section 63-8-102(12)(E). An optometrist may use or prescribe topical steroids for not more than seven (7) calendar days from the onset of treatment. No optometrist shall be certified to prescribe or use topically applied drops, ointments or creams for treatment purposes in the practice of optometry unless and until he meets all of the following:

(A) The optometrist has been certified by the board to utilize diagnostic pharmaceutical agents; and

(B) The optometrist has completed at least one hundred fifty (150) classroom hours and at least forty (40) hours of clinical experience dealing with diagnosis and treatment of ocular disease, including the use of pharmaceutical agents; and

(C) The optometrist has taken and successfully passed the examination administered by the therapeutic certification panel.

The board shall require each optometrist certified to use topically applied drops, ointments or creams for treatment purposes in the practice of optometry to complete a minimum of five (5) hours of continuing education annually on diagnosis, treatment and use of pharmaceutical agents in the practice of optometry.

**THURSDAY, APRIL 9, 1987--31ST LEGISLATIVE DAY**

The board shall provide the Board of Pharmacy semi-annually with a list of optometrists so certified pursuant to this section and shall provide each certified optometrist with an application certificate which shall be prominently displayed in his professional office.

AND FURTHER AMEND by adding the following new section immediately preceding the original Section 11:

SECTION \_\_. Tennessee Code Annotated, Title 63, Chapter 8, Part 1, is amended by adding the following new section:

Section \_\_. (a) There is created the Therapeutic Certification Panel. The panel shall consist of five (5) members to be appointed as follows:

- (1) two (2) optometrists appointed by the board of optometry;
- (2) one (1) ophthalmologist to be appointed by the board of medical examiners;
- (3) one (1) registered nurse to be appointed by the board of nursing; and
- (4) one (1) doctor of pharmacy to be appointed by the state board of pharmacy.

All administrative services required by the panel shall be provided in the same manner as such services are provided to the board of optometry.

(b) Members of the panel shall serve for a term of four (4) years and until their successors are appointed. Vacancies shall be filled in the same manner as the original appointment.

(c) A majority of the members of the panel shall constitute a quorum for the transaction of business.

(d) Members of the panel shall receive no compensation for their services but shall be entitled to reimbursement for travel expenses in accordance with the official travel regulations promulgated by the department of finance and administration and approved by the attorney general.

(e) All applicants for certification to prescribe or use topically applied drops, ointments or creams for treatment purposes in the practice of optometry shall present themselves before the panel for examination. The panel may question in such subjects as the panel shall deem appropriate for the diagnosis, treatment and application of pharmaceutical agents in the practice of optometry. The panel shall write its own state examination but may contract with any testing service to develop such questions.

**THURSDAY, APRIL 9, 1987--31ST LEGISLATIVE DAY**

On motion, the amendment was adopted.

Mr. King moved to amend as follows:

**AMENDMENT NO. 2**
